## **Annual Fee, Value Added Costs & Additional Deposit Description**

- **The Software Fee** is to be paid annually by the student and it covers the cost of licensed copies of software purchased by the institution and is installed on the student's laptop. Please note that while each student will get a copy of the licensed software needed, the license shall be in the name of the institution and valid only during their period of study.
- **The Health and Accident Insurance Fee** is a compulsory annual fee, which insures (maximum sum insured of Three Lakh Rupees) a student against any accident and medical emergencies that might inadvertently occur in or during the study period at the institution.
- **The Consumables Fee** is to be paid annually, which enables the student to avail of photo-copying, printing, WiFi enabled internet and includes purchase of simple, everyday materials needed for use in the wood or metal workshops.

## **Additional Expenses**

- The student is required to purchase a laptop (with given specifications as needed for their course of study) and a digital camera.
- The cost of student housing and food is not included in the above published fee schedule.
- Transport Facilities: Srishti Manipal Institute currently runs chartered buses for its students commuting from the city. This is not a door-to-door service but an optional facility provided by the institution, on pre-determined routes. Transport fee is charged separately for those students interested in availing this facility. This is not included in the above published fee schedule.

## **Refund**

- All Fee Refunds shall be made in accordance with MAHE's Fee Refund Policy published separately on the institute's website. [Click here](#) for Fee Refund Rules.

## **Online-Payments T&C**
